Average Net Operating Income:

Established: 1987

## Overview

We provide fly-in fishing vacations and a charter service with our Turbine Otter and Cessna 180. Currently we operate 13 remote outpost camps in beautiful Northern Ontario.

## Detailed Information

### Competition

Air-Dale, White River Air

### Growth & Expansion

Although we are currently operating 13 out post camps the sale includes 21 camps providing potential for increased capacity.

### Facility

The business is run from rented office space. The phones are answered Monday to Friday 8-6 and are forwarded to after hours in the evenings and on weekends to an on call technician.

### Support & Training

This business is fully operational with trained staff that could support the transition to a new owner.
